
Chullin 85 – Good Morning Raboisai

1️⃣ Koi on Shabbos / Yom Tov

Gemara:

👉 Case:

- A “koi” (uncertain animal – part wild, part domesticated)

📌 דין

👉 If slaughtered:

- Do NOT cover the blood on Yom Tov

👉 Reason:

- Doubt if obligation applies

2️⃣ Rabbi Yosi – Opinion

👉 Rabbi Yosi says:

- Even in a definite case on Shabbos → no covering

👉 Therefore:

- In a doubtful case on Yom Tov → certainly no covering

📌 Proof

👉 From bris milah:

- Certain case → overrides Shabbos
- Doubtful case → does NOT override Yom Tov

3️⃣ Challenge from Shofar

👉 The Gemara challenges:

- In some doubtful cases (shofar) → we still act

📌 **ספק**

👉 Not all doubts are treated the same

4️⃣ **Smicha (Leaning on Korban)**

👉 Applies only to:

- Men

👉 Women:

- Not required

5️⃣ **Mila vs Kisuy HaDam**

👉 Mila:

- Only done during the day

👉 Kisuy HaDam:

- Can be done at night

📌 **Insight**

👉 Cannot always compare between mitzvos

6️⃣ **Invalid Shechita**

👉 If shechita is not valid:

- No obligation to cover blood

👉 Depends on:

- Whether it allows eating

7️⃣ Machlokes – Validity of Shechita

👉 Rav Meir:

- Even invalid (not edible) shechita counts

👉 Rav Shimon:

- Only shechita that allows eating counts

8️⃣ Practical Cases

👉 Examples:

- Treifa
- Idol-related slaughter
- Incorrect method

👉 Result:

- May not require covering blood

9️⃣ Key Principle

👉 Shechita does two things:

- Permits eating
- Removes impurity

🔟 Important חילוק

👉 Rav Shimon holds:

- Even if not valid for eating

👉 It still:

- Removes impurity

1️⃣1️⃣ Ben Pekua Link

👉 Fetus inside animal:

- Sometimes does not need its own shechita

👉 But:

- Depends on conditions

1️⃣2️⃣ Rebbe – Mixing Opinions

👉 Rebbe:

- Sometimes follows Rav Meir
- Sometimes follows Rav Shimon

👉 Leading to:

- Different rulings in different sugyos

1️⃣3️⃣ Gezeirah Shavah

👉 Different sources used:

- To define what counts as shechita

👉 Leads to:

- Different conclusions between opinions

1️⃣4️⃣ Inside the Mikdash

👉 Slaughtering non-korban animals there:

- Forbidden to benefit from

1️⃣5️⃣ Additional Point from Sugya

👉 If shechita is not considered valid:

- It may be treated like killing, not shechita

👉 נפק״מ:

- Affects prohibition and benefit

1️⃣6️⃣ **Final יסוד**

- Rabbi Yosi is strict in doubtful cases
- There is a clear machlokes (Rav Meir vs Rav Shimon)
- ספק changes halacha significantly
- Shechita has two separate effects
- Not all mitzvos can be compared
- Rebbe combines opinions depending on the sugya
- Context (certain vs doubtful) is critical
