
Chullin 86 – Good Morning Raboisai

1️⃣ Making a Bird Treifa

Gemara:

👉 Case:

- Told to slaughter a bird to remove pests

📌 Problem

👉 Covering the blood is required

📌 Solutions

👉 Either:

- Make it a treifa first
  👉 Or:
- Kill it in a way that is NOT shechita

2️⃣ Why Not Just Make it Treifa?

👉 Question:

- Break a limb → then do shechita

📌 Answer

👉 Machlokes:

- Rav Meir: invalid shechita still counts
- Rav Shimon: only edible shechita counts

👉 If like Rav Meir:

- Still requires covering blood

3️⃣ Rebbe's Opinion

👉 Rebbe holds:

- Like Rav Shimon for covering blood

👉 Therefore:

- If not edible → no obligation

4️⃣ Story of Reb Chiya

👉 He:

- Planted flax
- Made nets
- Trapped animals
- Fed orphans
- Wrote Torah scrolls
- Taught Torah

📌 תוס'

👉 Build Torah from the ground up

5️⃣ Power of Tzadikim

👉 In his generation:

- No pests
- No spoilage
- No disasters

👉 But:

- Not always for themselves

6️⃣ Shechita by Cheresh, Shoteh, Katan

👉 If supervised:

- Valid

👉 If not:

- Invalid

7️⃣ Kisuy HaDam

👉 Invalid shechita:

- No covering

👉 Valid shechita:

- Must cover

8️⃣ Machlokes – Validity

👉 Rav Meir:

- Completely invalid

👉 Chachamim:

- Concern it may be valid

9️⃣ By Oso V'es Beno

👉 Rav Meir:

- No concern → allowed

👉 Chachamim:

- Concern → do not slaughter

🔟 Reason for Difference

👉 Concern people may:

- Think it is valid and eat it

1️⃣1️⃣ Majority Principle

👉 Rav Meir:

- Most such shechitos are invalid

1️⃣2️⃣ Minority + Chazaka

👉 Combine:

- Minority concern
- Animal originally forbidden

👉 Strengthens issur

1️⃣3️⃣ Tumah Comparison

👉 Sometimes:

- Minority + chazaka overrides majority

👉 But not always for issur

1️⃣4️⃣ Final Psak of Rebbe

👉 Two rulings:

- Like Rav Meir
- Like Chachamim

📌 Conclusion

👉 Final halacha:

- Like Rav Meir (invalid = neveila)

1️⃣5️⃣ Multiple Shechitos

👉 If slaughter many animals:

- One covering is enough

👉 Includes:

- Many animals or birds
- Even chaya + bird together

📌 Machlokes

👉 One view:

- One covering for all

👉 Other view:

- Separate coverings

1️⃣6️⃣ Bracha & Hefsek

👉 Only one bracha needed

👉 Reason:

- No interruption between acts

👉 Unlike benching:

- Which creates a break → new bracha

👉 Here:

- Shechita and covering can be continuous

1️⃣7️⃣ Final יסוד

- Invalid shechita may remove obligation
- Major machlokes: Rav Meir vs Chachamim / Rav Shimon
- Majority and chazaka shape halacha
- Supervision determines validity
- One covering can apply to many animals
- No new bracha without a break
- Continuity of action is key
- Final psak follows Rav Meir
