Menachos 107 – Good Morning Raboisai

1️⃣ Donating Wood as a Korban

- A person can donate **wood** as a korban

👉 It has dinim like a korban:

- Requires **salt**
- Requires **hagasha** (touching Mizbeach)
- Requires a form of **kmitzah** (breaking pieces)

2️⃣ Wood Requires Its Own Fire

- Wood korban is not burned directly

👉 Must:

- First build a fire
- Then place the wood korban on top

3️⃣ Levonah Minimum

- Donating Levonah → must be at least **one kmitzah**

👉 Learned from hekesh to Mincha

4️⃣ "Harei Alai Lamizbeach"

- If a person says:

👉 "I accept something for the Mizbeach"

👉 Brings:

- **Levonah (minimum amount)**

Reason:

- It is fully consumed on the Mizbeach

5️⃣ Fully Burned Principle

- We assume he meant something:

👉 Completely burned (no portion for Kohanim)

6️⃣ Why Not Other Korbanos?

- Animal korbanos → parts go to Kohanim
- Bird korban → some parts removed

👉 Not fully burned

7️⃣ Nesachim Question

- Wine (Nesachim) also fully used

👉 But:

- Goes into **Shittin**, not directly burned

8️⃣ Conclusion

👉 Levonah is the simplest fully-burned offering

9️⃣ Donations – Minimum Amounts

- **Gold** → minimum **1 dinar**
- **Silver** → minimum **1 dinar**
- **Copper** → minimum useful כלי
- **Iron** → usable amount (e.g. spikes)

🔟 Purpose-Based Amounts

- Must be:

👉 Something practical and usable

1️⃣1️⃣ Wine Donation

- Minimum → **3 log**

👉 Based on smallest Nesachim (sheep)

1️⃣2️⃣ Oil Donation

Machlokes:

- **Chachamim** → 1 log
- **Rebbi** → 3 log

1️⃣3️⃣ Source of Machlokes

- Do we learn:

👉 Full comparison (amount included)?
👉 Or just concept (amount learned elsewhere)?

1️⃣4️⃣ Unspecified Amount

- If person forgot amount

👉 Bring like **maximum day (Sukkos)**

- Total → **140 log**

1️⃣5️⃣ Animal Neder – Cheapest Option

- If unclear which korban

👉 Bring **cheapest valid option**

1️⃣6️⃣ If Completely Unclear

- Must bring **multiple types**

👉 Covers all possibilities

1️⃣7️⃣ Exact Specification Matters

- If he said:
    - Black → must bring black
    - White → must bring white
    - Small → must bring small

👉 Cannot substitute

1️⃣8️⃣ Large vs Small (Machlokes)

- **Chachamim** → larger may work
- **Rebbi** → must match exactly

1️⃣9️⃣ Value Specification

- If he said:

👉 “Worth 100”

👉 Must bring exactly that

- Two items of 50 ≠ one of 100

🔑 Key Takeaways

- Even wood can be a korban with full halachic process
- Levonah is the default fully-burned offering
- Minimum donation amounts depend on practical use
- Oil donation has a key machlokes (1 vs 3 log)
- Unclear neder requires covering all possibilities
- Cheapest valid option is used when unspecified
- Exact wording (colour, size, value) is binding
