Menachos 91 – Good Morning Raboisai

1️⃣ Todah & Nesachim

From the word **"אזי"**:

- Todah requires **Nesachim**
- Not included automatically in "Zevach"

Reason:

- Might think breads replace Nesachim
- Chiddush → still requires wine

2️⃣ Klal–Prat–Klal Structure

Pasuk builds:

- Klal → includes all Korbanos
- Prat → limits to Neder/Nedavah
- Klal → re-expands

Rule:
👉 Include only things **similar to the Prat**

3️⃣ What is Included

Included:

- Korbanos not brought for sin
- Examples:
    - Bechor
    - Maaser
    - Pesach

Also includes:

- Vlad Kodshim
- Temurah
- Olos from surplus funds

4️⃣ What is Excluded

Excluded:

- Chatas
- Asham

Reason:
👉 Come for **Kaparah (sin)**

5️⃣ Multiple “אוֹ” in Pasuk

Used to separate cases:

Scenarios:

- Different Korban types
- Same Korban, different obligations
- Same obligation, different Korban

👉 Each requires **separate Nesachim**

6️⃣ Two Korbanos

Even if:

- Same type (e.g. two Olos)

👉 Still require **separate Nesachim**

7️⃣ Nazir / Metzora Cases

- Metzora → brings Korbanos with Mincha & Nesachim
- Special דִּין compared to standard Chatas/Asham

8️⃣ Chatas & Asham

Normally:

- Do NOT require Nesachim

But:

👉 Metzora exception requires them

9️⃣ Olas Metzora

Pasuk teaches:

- Olas Metzora requires Nesachim

Not learned from general Olah

🔟 Olas Yoledes

Consideration:

- Maybe included

Conclusion:

- Learned separately → not same limud

1️⃣1️⃣ Ayil of Kohen Gadol (Yom Kippur)

Pasuk includes:

👉 Requires Nesachim

Even though:

- Fixed-time Korban

1️⃣2️⃣ Palgas (13th Month Animal)

Case:

- In-between Kevess and Ayil

Din:

- Requires Nesachim

Machlokes:

- Independent category

- Or Safek → bring with condition

1️⃣3️⃣ Age Differences

- No differentiation in Nesachim:
    - Between ages (after category set)
    - Male vs female

1️⃣4️⃣ Final Practical Case

Ticket system:

- One ticket covered:
    - All sheep (male & female)

👉 Proof:

- Same Nesachim for both

🔑 Key Takeaways

- "אוֹ" teaches inclusion & separation
- Only certain Korbanos require Nesachim
- Sin Korbanos generally excluded
- Metzora is key exception
- Each Korban requires its own Nesachim
- No difference male vs female in sheep
- Palgas creates unique ספק scenario
